MANA MOTUHAKE

Accelerate the mana motuhake of Ngāti Tūwharetoa

- Promote tribal unity and vision through the implementation of Taumaihirongo
- Ensure tribal mana motuhake over hauora within the rohe
- Determine the policy settings for our rohe
- Enable Tūwharetoa-tanga (reo, tikanga, whakapapa, hononga, paepae) to be built into the systems that impact on health outcomes
- Ensure successful partnering

COMMISSION

Commission oranga services

- Ensure the commissioning of culturally safe services
- Prioritise equity of access, utilisation, and outcomes in commissioning
- Promote community governance, partnerships, and collaboration
- Enable services to support the connection between land, environment and people

HIGH PERFORMANCE

Ensure high-performing health system

- Ensure a Maori holistic worldview of oranga
- Gain the trust of the people (whānau and hapū)
- Ensure flexible funding arrangements
- Maintain sustained multi-level communications
- Collect robust data and measurement
- Ensure accountability for all
- Build a qualified work force

SERVICE DELIVERY AND MONITORING

Ensure responsive service delivery through monitoring

- Ensure high-quality, culturally safe service provision
- Ensure equity of access and utilisation in service delivery
- Prioritise early interventions
- Support holistic approaches to deliver hauora
- Ensure accountability for performance
- Maintain a philosophy of continuous improvement
- Ensure data-informed decision making
